Machine runs easier than any machine now in use Price \$100.

NO. 4. This Machine has a long arm, to accommodate large work. It runs at a high rate of speed runseesity, and is without a doubt, the bost Machine for Tailor's use, ever offered to the public. It is also peculiarly fitted for plantation work, as it is very simple yet substantial and durable, with but little liability to get out of order. Price \$120.

NO. 5. This is a new and cheaper style, and a general favorite for Family, Light Leather, and a general favorite for Family and Leather, and

over the Indiana Central & Day580.

No. 5. This is a machine got up on an entirely
new principle, different from anything ever before
offered to the public, and we confidently assert that
for family use it has not an equal. It is very light
and tasty runs very rapidly, is almost noiseleas in
its operation, and uses a craniour Steiner. It is
so arranged as to be utterly impossible for it to miss
stitches. It has a tenaion on both aides, and carries
a large supply of thread on the under spoul. The
mofitions are gained by two small crasks that run
without perceptible noise. The two, threads are
worked in such a manageras never to pull both aither
same time, and consequently, little Asbie to break.
The soam is very clastic and the thread does not
breakin washing. It will id consect work better
than anycheap machine now in market, as it uses
alle, softon, or linnen with equal incility. Price \$50
